The bright and spacious living area integrates a fully equipped kitchen with a dining and lounge space, leading out to a landscaped private garden with a swimming pool. A private off-road parking space is also included. On the lower level, a finished basement of 136 m² with smooth walls, water, and electricity connections provides a versatile space for additional bedrooms, an office, gym, cinema room, or children's play area. Attention to detail is evident in every aspect of these homes. Highlights include a reinforced security door, motorized shutters in the bedrooms, built-in wardrobes, and a kitchen furnished with appliances. Sustainable living is ensured by six installed photovoltaic solar panels. The garden is fully finished with artificial grass, palm tree, automatic irrigation, and decorative shrubs. An efficient ducted air conditioning system ensures year-round comfort.
