The area offers a swimming pool, bar/restaurant, supermarket, and green spaces, and it is well connected via motorway, less than 20 minutes from the Puerto de Mazarrón. Each property sits on a spacious 333 m² plot, with a built area of 92 m², distributed across 3 double bedrooms (one with a walk-in wardrobe), an open-plan living room with kitchen, a laundry room, and 2 full bathrooms. Thanks to their orientation and corner position, the villas enjoy natural brightness throughout the day. This new-build project features high-quality finishes, such as white lacquered interior carpentry, porcelain stoneware flooring, and aluminum exterior carpentry with Climalit double glazing. Additional features include pre-installation of ducted air conditioning and heating throughout the home, as well as built-in wardrobes.
