Costa Blanca North, Javea

Fascinating villa of exquisite good taste with a beautiful terrace and pool, two living rooms, a wine cellar, a gym, an office area, a sauna, an alarm system, and home automation. Nestled at the end of a peaceful street on the Costa Blanca, this modern white villa offers the perfect blend of elegance, privacy, and natural beauty. Surrounded by an expansive tropical garden, it serves as a serene oasis. The exterior design of the villa, which we are honored to present here as HGH, features clean lines and a pristine white facade that creates a striking contrast with the lush green surroundings. Inside, the open-plan layout and neutral color palette enhance a sense of space and tranquility. A standout feature of this property is the magnificent pool, located amidst the tropical garden, offering a luxurious space for relaxation and outdoor entertaining. The villa boasts several bedrooms with en-suite bathrooms, ensuring both comfort and privacy. Built in 2023, this villa epitomizes modern coastal living at its finest and offers a refined retreat in the heart of a natural paradise. Whether you wish to unwind in the garden or enjoy the peaceful ambiance by the pool, this property promises an exquisite experience. Equipped with high-end features, including 15 photovoltaic panels, a heat exchange system, underfloor heating, and central air conditioning, the villa ensures superior comfort and energy efficiency. The saltwater pool, crafted from natural volcanic green stone from Bali, and the use of natural stone throughout both the interior and exterior add further to its timeless elegance.
