Costa Blanca South, Torrevieja

This charming and well-designed townhouse is located in the popular area of Aguas Nuevas in the northern part of Torrevieja – close to the city, shopping, the Friday market, and, not least, the beach. The property is an end-unit on three levels, offering private outdoor spaces and plenty of room for both family holidays and year-round living. Built in 2005 and the home is in excellent condition. The layout is functional and offers a great balance between shared living areas and private bedrooms.

Layout and Features; On the ground floor, you're welcomed by a large, sunny terrace with a pergola and roll-down side awnings, ideal for shade or privacy as needed. There's ample space here for both outdoor dining and lounge furniture. The entrance leads through a covered, partially glazed terrace, which can be fully opened during the warmer months. Inside, you'll find a spacious living room with air conditioning and a separate kitchen, which was fitted with brand-new appliances in May 2025. Behind the kitchen is a bright extension currently used as a dining room, with direct access to the rear patio that also houses the washing machine and provides additional storage space. There's also a bathroom with a shower on this level. The first floor offers three well-sized bedrooms and a second bathroom with a shower. All bedrooms feature built-in storage and air conditioning. On the top floor, you'll find a lovely private roof terrace with views over the surrounding area and a glimpse of the Mediterranean Sea – a perfect spot to enjoy your morning coffee or relax at sunset.

Outdoor areas and the communal area; Thanks to its corner plot, the townhouse benefits from extra outdoor space. In addition to the main terrace, there's a practical lockable storage shed – perfect for garden furniture, bicycles, and beach gear. The community features a beautiful swimming pool surrounded by green lawns and palm trees – ideal for relaxing on sunny days. There's also communal parking right in front of the property, accessible only to residents of the complex.

Location; Aguas Nuevas is known for its peaceful atmosphere and excellent access to everyday amenities. You'll find grocery stores, cafés, and restaurants within walking distance, while the popular Habaneras shopping center – with shops, restaurants, a cinema, and the vibrant Friday market – is just minutes away. Torrevieja's lovely sandy beaches, the protected natural park, and salt lakes are easily reached by bike or car. Alicante Airport is around a 40-minute drive from the property, making it easy for both homeowners and guests to get to and from the area. A spacious and practical townhouse in a desirable location – perfect as a holiday home or permanent residence. Move-in ready and full of smart details, both inside and out.
