Costa Almeria, Garrucha

We are delighted to present this beautifully maintained duplex townhouse on the first floor, arranged over two levels, located in the picturesque coastal town of Garrucha.

Ideally positioned, the property enjoys easy access to the beach and a superb selection of local amenities including shops, supermarkets, bars, restaurants and the popular weekly market. The vibrant resort of Mojacar Playa is also just a short drive away.

The accommodation comprises a compact yet well-equipped semi-open-plan kitchen with ample storage, leading into a bright and spacious lounge-diner. Large patio doors open onto a private terrace, perfectly sized for a table and chairs - ideal for al fresco dining or enjoying a relaxing drink in the sunshine. A convenient guest cloakroom with WC and wash basin is also located on this level.

The lower floor, accessed by two sets of stairs, houses the sleeping accommodation, consisting of two generously proportioned bedrooms served by a modern, well-appointed shower room. The principal bedroom benefits from fitted wardrobes and the entire lower level enjoys an abundance of natural light, maintaining a bright and airy feel throughout.

A particular highlight of this property is the additional spacious ground-floor terrace, providing an extra private outdoor area that can be adapted for a variety of uses.

Further features include dual air conditioning (heating and cooling), an allocated underground parking space and a large lockable storage room. For added convenience, a lift serves all floors of the building, providing easy access without the need to use the stairs.

A secure community with entrance hallways, lift access to all levels and a communal swimming pool which is located just a short walk from the property.
