LOCATION: Alicante capital is a vibrant and welcoming city, where the essence of the Mediterranean can be experienced in every corner. With more than 300 days of sunshine a year, its mild climate, its urban beaches - such as Postiguet - and its seafront promenade invite you to enjoy the outdoors all year round. The city combines history, modernity and tradition: from the imposing castle of Santa Bárbara that crowns Mount Benacantil, to its soulful neighbourhoods such as Carolinas, El Pla or San Blas, without forgetting the newer, residential areas such as Playa de San Juan or Vistahermosa. Alicante is also a comfortable and well-connected city. The international airport of Alicante-Elche Miguel Hernández is only 15-20 minutes by car from the centre, which facilitates the connection with the rest of Europe. It also has an AVE high-speed train station, tram network (TRAM) and a full range of services: health centres, schools, universities, shops and leisure facilities. All this makes Alicante an ideal city both for year-round living and for investment, with a perfect balance between urban life, proximity to the sea and quality of life.
