Staircase and Steel Pergola on Solarium Property Description Immaculate detached villa in La Florida, Torrevieja.
Designed for indoor-outdoor enjoyment, the bright open-plan living area flows through patio doors directly to the pool
terrace, creating a seamless connection between the lounge and sun-soaked outdoor spaces. The modern kitchen
complements the social layout and provides everything you need for relaxed daily living or entertaining. On the ground
floor you will find a double bedroom and a stylish family bathroom with walk-in shower — perfect for guests or
ground-floor sleeping. A striking staircase with glass balustrades leads to the upper level where two large double
bedrooms await. The master bedroom (12.4 m²) features two built-in wardrobes, patio doors to a private terrace and a
luxurious ensuite with a multi-jet shower. The second double bedroom (12.5 m²) also benefits from built-in wardrobes,
a sleek ensuite and its own private terrace. From the upstairs terrace a separate stairway takes you to the villa's
showpiece: a 45.7 m² solarium with a modern steel pergola and commanding views over the Torrevieja
salt lakes and surrounding hills. Whether you want a peaceful spot for sunset drinks, an alfresco dining area, or a
shaded rooftop lounge, the solarium offers exceptional flexibility and panoramic appeal. Location & Lifestyle Situated in
the popular residential area of La Florida, this villa offers an enviable blend of tranquillity and convenience. You
are minutes from local shops, cafés and supermarkets, with easy access to the popular Zenía Boulevard shopping
centre and the beaches of Orihuela Costa. Torrevieja's amenities, including restaurants, health centres and
leisure facilities, are within a short drive while Alicante and Murcia airports are reachable in around 30–45 minutes. The
nearby salt lakes and coastal trails provide superb outdoor options for walking and cycling, making this an excellent
location for families, sunseekers and investors alike. Additional Details Integrated air conditioning and electric shutters
