Located in the sought-after urbanisation of La Sierrazuela, the property features a total built area of 542 m² on a generous 1,152 m² plot.

The main Villa: The villa's architecture blends classic touches, such as marble floors and bathrooms, with contemporary elements—clean lines, open spaces, and abundant natural light—creating a sophisticated yet welcoming atmosphere. Inside, the home offers five spacious bedrooms and four bathrooms. Upon entering, a bright hallway leads directly to the garden, while to the other side, you'll find a large living room and a fully equipped kitchen with an island that opens to the barbecue area and connects seamlessly to the pool. This level also includes a master bedroom with an ensuite bathroom and a second spacious bedroom with its own bathroom.

The second floor hosts another elegant master bedroom with magnificent views of the mountains and a private balcony overlooking Mijas Golf. Two additional bedrooms share a good size bathroom. From this level, there is access to a large terrace offering panoramic views across Fuengirola, the sea, and the lush greenery of La Sierrezuela and the magnificent mountains and countryside.

Guest Apartment: Below the main villa, on the same level as the garage, lies a self-contained guest apartment with three bedrooms, a bathroom, a guest toilet, a small kitchen, and a very spacious living room. Each bedroom benefits from natural light and exterior windows, providing a comfortable, airy feel — perfect for guests or extended family.

The property offers several inviting outdoor lounge areas with views to the pool and a magnificent mountain backdrop, ideal for entertaining or simply enjoying the peaceful surroundings.

Parking and Extras: A private garage accommodates up to three cars, with space for three more in the outdoor parking area. At the top of the villa, a large roof terrace boasts truly panoramic views — the perfect spot for creating an additional lounge area to enjoy the sun all day and the spectacular sunsets.
