Access to the property, takes you to the aforementioned front courtyard, and then into the property.

Firstly, you have the welcoming hallway, and immediately to your right you enter a large, spacious area, ideal for serving both as a lounge and dining area.

There is also a character log burning stove for those cooler evenings.

Then on to the kitchen is again a large space, offering an abundance of storage and white goods.

From both of these rooms, you have access to a large terrace area, a wonderful space, overlooking the mountains, and offering several independent seating areas, a large private swimming pool and Jacuzzi.

This is the ideal area, to soak up the warm Mediterranean sunshine, in a stunning setting.

Also on this floor level is a family/guest bathroom, with walk in shower.

You also have the first of the double bedrooms, with large fitted wardrobes and an en-suite bathroom, offering a bath tub and overhead shower.

A separate door takes you to the garage area.

You have two accesses to the first floor.

Via the lounge, a wrought iron and wood staircase leads to a beautiful upper-level lounge area – a perfect space for relaxing.

Or from the hallway, white marble stairs take you to the same area.

Again this is a lovely light and relaxing space. On this floor, you have the further two double bedrooms, and a family bathroom.

Outside space is in abundance and you have access to a large terrace with sea view, and going up to the roof solarium, there are even more breath-taking views, and more outdoor space to enjoy the Spanish sun.

This is a rare opportunity to acquire an exceptional property in one of Mojácar Playa’s most desirable residential areas. Whether you’re looking for a full-time residence or a luxury holiday retreat, this villa offers comfort, character, and unbeatable views.

Viewing is highly recommended to fully appreciate all that this unique home has to offer.
