The climate on the Costa Blanca, often considered the best in Europe, makes possible a very sociable and healthy lifestyle, outdoors, marked by sports and leisure facilities, with tourist cities, exciting and cosmopolitan, which stand out for the provision of top-class services, some of them exclusive, considered to be true luxury. All of them aimed at a demanding client, who seeks quality and proximity.

Around:

Torrevieja is located 50 minutes from Alicante Airport and 30 minutes from San Javier Airport. In Torrevieja you can enjoy a typically Mediterranean landscape and climate, with little rainfall throughout the year and an average temperature of between 18°C and 19°C. It is known for its gastronomy, which is characterized by its quality products from both the sea and the garden.

It has 20 kilometres of coastline with six large beaches, La Mata, Cabo Cervera, Los Locos, El Cura, Los Náufragos and Ferris, as well as around twenty coves with many cliffs. The Salinas de Torrevieja are the most important in Europe due to their productivity, and most of them are destined for export. A little further south, in the city of Torrevieja, is the southernmost natural park on the Costa Blanca, Las Lagunas de La Mata-Torrevieja. There are also museums, shopping centres and a host of entertainment activities for adults and children.

The Costa Blanca continues to attract people from all over Europe, and from other parts of the world, because it offers a unique quality of life in a beautiful setting on the shores of the Mediterranean Sea, surrounded by mountains and lush vegetation.

In addition to the golf courses and marinas that you can enjoy along the coast, the area also offers the possibility of skiing in the nearby Sierra Nevada, Javalambre or Valdelinares, paradises for winter sports lovers, with beautiful natural landscapes.
