539,000 €

Reference: RS24827 Bedrooms: 3 Bathrooms: 2 Plot Size: 171m² Build Size: 95m²

Costa Blanca South, Guardamar del Segura

These modern designed apartments are located in an excellent location, close to the beaches and all the services you need.

In these apartments, space and natural light have been prioritised to provide a cosy atmosphere. Every detail has been carefully designed to create an intimate and relaxing place in the rest area. The bathrooms are covered with large-format ceramic stoneware tiles and feature prefabricated resin shower trays and black mixer taps, which add a touch of elegance.

The kitchens are modern and highly functional, with straight lines and durable materials. They are equipped with compact quartz countertops and low-pressure mixer taps to reduce water consumption. In addition, the kitchens will be delivered fully equipped, including a built-in extractor hood, electric oven, microwave, induction hob, washing machine, dishwasher and refrigerator.

The common areas are designed to provide comfort and quality of life to our residents. Some of the outstanding features include:

Elevator with energy-efficient features for convenient access to all floors of the building. Private parking with electric charging points for vehicles and bicycles, promoting the use of sustainable transport. Storage room for each home, providing additional storage space. Large green and landscaped areas with native species, creating a pleasant and sustainable environment. They also have automatic drip irrigation for efficient water use. Community pool with saline chlorination system, offering a healthy and pleasant environment to enjoy the water. Also included is a relaxation area with benches for resting and socializing. Cistern for collecting rainwater and reusing it, promoting sustainability and resource conservation. Waste collection areas and recycling promotion, to help our residents correctly separate waste and promote environmentally friendly practices.

These modern designed apartments have a lot of attention to detail and a wide range of top quality facilities. Committed to comfort, energy efficiency and respect for the environment, to provide a welcoming and sustainable home for our clients. Do not hesitate to contact us for more information or to visit our facilities!

Climate:

The climate of the Costa Blanca, often considered the best in Europe, allows for a very sociable and healthy lifestyle, outdoors, marked by the range of sports and leisure activities, with exciting and cosmopolitan tourist towns, which stand out for offering the best high-end services, some of which are exclusive, considered a real luxury. All are aimed at a demanding clientele, looking for quality and proximity.

The Costa Blanca has more than 300 days of sunshine a year. A paradise with excellent connections to all of Europe. Alicante-Elche Airport has modern and spacious facilities and easy and comfortable access from any point in the province.

Around:

In this beautiful residence you will have all the services at your fingertips, including bars and restaurants, supermarkets, pharmacy, public transport, etc. The surroundings have a special charm, not only for its idyllic beaches, but also for its traditional commercial offer, a wide and varied gastronomic offer, inland routes, paths...

walkers and cyclists of the "Pinada" which is located right in front of the residential complex and all kinds of sports activities, such as golf, water sports, fishing and many more. Guardamar is a municipality of almost 20,000 permanent inhabitants located on the Costa Blanca South, just 25 km from Alicante International Airport and 45 minutes from the city of Alicante, which has excellent communications by car, train or plane with which you will always be well connected to any destination in Spain and Europe. Guardamar has a long coastline of 11 km of warm golden sand beaches of high ecological value in a unique environment in the Mediterranean. It has 3 beaches with blue flag. The coastline is unique as its beaches are bordered by La Pinada de Guardamar, a dune forest of 800 hectares of pine, eucalyptus and palm trees.

The Costa Blanca continues to attract people from all over Europe and other parts of the world, as it offers a unique quality of life in a magnificent setting next to the Mediterranean Sea, surrounded by mountains and lush vegetation. In addition to the golf courses and marinas that you can enjoy along the coast, the region also offers the possibility of skiing in the nearby Sierra Nevada, Javalambre or Valdelinares , a paradise for winter sports lovers, with magnificent natural landscapes. The Costa Blanca offers a unique and rich lifestyle , where the best beaches and coves of the Mediterranean are combined with an interior full of mountains and cities that hide a culture and historical monuments unique in the world.
