Can you imagine what it would be like to wake up every morning seeing the Benidorm skyline and letting yourself be intoxicated by the light of the Mediterranean just for you? A few kilometers from the beach is the new development. Get ready to enjoy the beautiful views from your private terrace, feeling the first rays of the sun of the day. With all the luxuries just a few minutes away, you will be able to live in a privileged area, surrounded by all the luxuries you have always dreamed of.

You can choose between 70 2 and 3-bedroom penthouses with private terraces, and 2 independent 3-bedroom villas. The residential has been conceived as a private and exclusive space for the leisure of a small community of owners who can calmly enjoy a wide variety of activities, sports and entertainment as if they were on vacation any day of the year.

You will be connected to its powerful influence even from the private terrace of your house, since we have reserved for you one of the best views of the Mediterranean.

The houses, with their staggered design, define different common areas for the enjoyment and relaxation of the owners. In addition, they are equipped with the latest technology applied to comfort: air conditioning, aerothermal energy for the production of domestic hot water (ACS), pre-installation for a Jacuzzi, thermal and acoustic insulation, among others.

We have more secrets to teach you about this incredible luxury residential with guaranteed accessibility for people with reduced mobility and the tranquility of living in a space protected by private security.
