The ground floor is the social heart of the home, with an open-plan living-dining room and integrated kitchen that extends out to the private garden and swimming pool, creating an idyllic setting for family life and social gatherings. Additionally, a versatile basement level of over 115 m² of constructed area offers endless possibilities, such as a cinema room, a private gym, a laundry area, and two full bathrooms. Excellence is found in every detail, with a careful selection of the highest quality materials. The home features tiling and sanitary ware from the prestigious brand Porcelanosa, Bosch appliances in the kitchen, and an advanced Simon 270 home automation system for lighting and blind control, compatible with voice assistants.
