This impressive property is situated in an amazing location with views to the bay of Málaga and the Sierra de Mijas mountains. The house is distributed over 3 independent living areas. Access to the 2-bedroom apartment is via an external staircase. The apartment has an open plan living room with kitchen / dining area, shared bathroom, and a private terrace from where you can enjoy incredible views to the sea and mountains. The ground floor benefits from a spacious living room with fireplace, kitchen / diner, 4 bedrooms (master ensuite), and a guest bathroom. A covered porch offers a great further dining area with views to the bay of Málaga. The 155m² basement has its own access and offers either a huge storage area or an independent living area with bathroom. The garage has space for 2 or 3 cars. Adjacent to the house is a separate viewing area, which if required would offer more parking. To the rear of the house is the very private terraced area with swimming pool.
