ABOUT TORREVIEJA Torrevieja is a city in the province of Alicante in the Comunidad Valenciana region of Spain. The town is a popular tourist destination located about 40 minutes drive from the city of Alicante and the airport. Torrevieja was originally a small fishing village, and is today one of Europe's largest salt producers, Torrevieja has previously been called the 'salt city', but in recent years the city has also been called the 'sports city', due to the large sports arenas that have been built in recent years. As a result of this fantastic investment, Torrevieja was one of four organisational cities during the Women's Handball World Championship in 2021. When you stay in Torrevieja, you are a short walk to white, elongated sandy beaches with a 'blue flag' stamp, as an indication of, among other things, high water quality. In the immediate vicinity and often 'right outside' the door you will find a large selection of local shops, restaurants, cafes, shopping centres, green parks, the harbour and the promenade. If you are looking for an area with life all year round and a healthy microclimate with 320 days of sunshine a year, this could be the perfect area for you.
