Axarquía, Alcaucín

If you are looking for a country house to spend the weekends or the hot summer months away from the hustle and bustle of the city, look no further. At the foot of La Maroma - the highest peak in the province of Malaga - is this cozy country house, with more than one hectare of land with olive trees and panoramic views to the south. The house has four bedrooms, a bathroom, kitchen, living room, covered terrace with a vine and a separate laundry-storage room. The access is all asphalted except the final section, which is dirt, but very easy to travel. We are delighted to be able to present this property to you soon, either personally or through virtual vision. Because this world is unique - like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
