Costa Blanca South, Torrevieja (Town)

This south-facing home was originally built as a three-bedroom end-of-terrace property but was changed to a two-bedroom bungalow to enhance it further. The layout now includes an independent kitchen, a practical utility room, and well-proportioned living areas that suit both full-time and seasonal use. The property sits on a quiet, tree-lined street with an open outlook and off-street parking. At the front, a large terrace provides an excellent outdoor area for relaxing or hosting guests, while the fitted awning offers shade during the brightest hours of the day. Inside, the lounge and master bedroom both feature ceiling fans, helping maintain comfortable temperatures throughout the year. The surrounding streets are calm and residential, yet the home is only a short walk from a selection of restaurants, cafés, and local services, making daily life convenient and enjoyable. This is a well-located bungalow with a practical layout and strong appeal for buyers seeking a low-maintenance home close to local amenities.
