Costa Blanca North, Calpe

We invite you to discover this extraordinary villa located within walking distance of both the sea with its sandy beaches and the center of Calpe.

The villa was built in 2020 by a developer who has lived in it in recent years, so we can confidently say that the quality of the finish is very high.

The property consists of several levels:

Level -1

On this level, there is a large indoor swimming pool, a jacuzzi, a Finnish sauna, a home cinema, a pool table, a separate office area, a utility room, a toilet, and direct access to the garage.

Ground floor

First floor

Here you will find 3 bedrooms with built-in wardrobes and 3 bathrooms. All bedrooms have direct access to the terrace, which offers impressive panoramic views of Calpe, the sea, and the famous Peñon de Ifach rock.

Property features:

The property is equipped with underfloor heating, a smart home system, anti-burglary blinds, an elevator connecting all levels, as well as 15kW solar panels, heat pumps for heating the indoor and outdoor pools, and an air conditioning system, which significantly reduce the cost of maintaining the house.
