In Andalusia, not far from Murcia and just a few minutes walking from the sea, we offer this charming family home built in 2020. It features a furnished living room and a fully equipped kitchen with all essential appliances, including a dishwasher, electric hob, fridge/freezer, microwave, and extractor hood. Upstairs, there are three furnished bedrooms, a bathroom with the possibility to create a second one, and two separate toilets. The house also offers a swimming pool with a fountain, a stone barbecue, a laundry room, and a carport. It meets modern insulation standards, and all rooms are equipped with electric shutters and individual air conditioning (hot/cold). The bedrooms include a small balcony, and the floors are fully tiled, including around the pool. The exterior of the house was fully repainted in 2023. We are available to discuss the property and, if needed, to arrange financing.
