Welcome to this charming and very well-maintained villa in sought-after La Siesta, Torrevieja - an oasis of peace and privacy where you can enjoy both sun, comfort and Mediterranean feeling all year round.

It is located on a secluded approx 400 sqm plot with private parking, a large heated saltwater pool and a beautifully landscaped garden with fruit trees such as tangerines and figs. The plot offers several lovely places both in sun and shade during all hours of the day. From the generous roof terrace you have sun most of the day and a fantastic view of the area and the sparkling salt lake. The location is perfect - close to nice restaurants, walking paths and social areas.

As you enter through the private entrance gate, you are greeted by a lush and harmonious garden, ideal for sunbathing, relaxing and swimming in the inviting pool. The large covered south-facing veranda quickly becomes a favourite place for both meals and socialising in the pleasant Mediterranean climate. There are also solar panels that contribute to low operating costs and more sustainable living.

Inside, the house is characterised by light, space and cosiness. The open plan living and dining areas are connected by a cosy fireplace that creates a warm and inviting atmosphere.
