Set within the popular international urbanisation of Camposol, this detached villa offers a wonderful blend of style, comfort and outdoor living. Positioned on a generous 350 m² plot and boasting close to 100 m² of internal space, the home presents an inviting layout that has been beautifully maintained since its construction in 2007.

The property sits in an elevated position on one of the most peaceful areas of the urbanisation. Capturing the first light of the day with tranquil sunrises from the open roof solarium, when evening comes the outlook transforms into warm, sweeping sunsets framed by mountain views stretching down the valley towards Mazarrón, located just a 10-minute drive away.

Designed for year-round enjoyment, the villa features hot-and-cold air conditioning and a glazed summer lounge overlooking the private pool. The outdoor spaces are thoughtfully arranged, offering a sundeck for relaxing, a dedicated bar and entertaining area with ample seating, and plenty of room to enjoy the Mediterranean climate.

For those who love long countryside walks—especially dog owners—the villa is ideally situated just 50 metres from open country, with miles of scenic tracks to explore. Adding further potential, the underbuild provides an exciting opportunity for renovation. Whether you envision a workshop, hobby room, additional bedrooms, a gym or even a home cinema, this flexible area invites creativity.
