Sea View Villa with two Independent Garages

This attractive sea view villa is set on a generous 800 m² plot and offers comfortable living all on one level, combining privacy, space and excellent outdoor areas. The property is accessed via a glazed naya that leads directly into the bright living and dining room, creating a welcoming and practical layout. From here, there is a separate, well-proportioned kitchen with adjacent utility area.

The villa offers three bedrooms, all equipped with air conditioning, a refurbished bathroom with a walk-in shower, and an additional guest toilet. The layout is ideal for both permanent living and holidays, with all main living areas conveniently arranged on the same level.

From the naya, you can also access a covered summer kitchen and dining area, perfect for entertaining. This leads onto a large pool terrace with a good-sized swimming pool and open sea views, providing an excellent space to enjoy the Mediterranean lifestyle. The covered barbecue area is directly connected to the house, making outdoor dining easy and enjoyable throughout the year.

The property benefits from a very spacious driveway with parking for at least three cars, leading to two independent garages. The villa enjoys lovely sea views, southern orientation and a practical, well-balanced design with excellent outdoor living spaces.
