Costa del Sol, Calahonda

Views & outdoor space are one of the most sought after features of an Andalusian property by foreign property buyers. This property has some of the most amazing views one can get and also with its large main terrace and then its upstairs solarium this property has a lot of outdoor terrace space that really allows one to enjoy the Spanish climate. The apartment itself has three bedrooms and two bathrooms plus a larger than average kitchen. The complex is gated with private parking for owners and three pool areas. Calahonda is well located being just 15 minutes from Marbella by car and 15 minutes to Fuengirola. We strongly recommend a viewing of this property and as we hold the keys we are able to show it 7 days a week.
