Costa Blanca North, L'Alfàs del Pi

Spectacular 3 bedroom villa all on one level, located in the town of Alfaz del Pi, very close to all amenities and with a selection of the best national and international schools close by. The main living area of this villa is built on one level, with 3 spacious bedrooms, all with en-suite bathrooms, a large 60m² living room with access to a 45m² covered terrace overlooking its private pool and gardens. Built on the ground floor of the villa we have two separate 2 bedroom, 1 bathroom flats, both with independent access and approximately 75-85m² each. They are currently rented out on a monthly or weekly basis for extra income. There is also a large garage for 2-3 cars built underneath the villa. This villa feels and looks like new, with construction completed in 2005 with first class materials, it has nothing to envy to some of the more recent new builds in the area. It is difficult to put into lines all that this villa has to offer, so we strongly recommend that you call us for a viewing in person!
