Costa Blanca South, Torrevieja (Town)

Apartment in Torrevieja for a new life by the sea

You will be very happy to know this new development of apartments in Torrevieja, just 600 meters from the fantastic Playa del Cura, an ideal place to walk on its beautiful sandy areas and cool off in its clean waters.

It is surely the home you are looking for for your family vacation on the beach, or perhaps for your happy retirement.

This quiet and safe urbanization has exclusive services such as a nice communal rooftop pool, green areas perfect for leisure, elevator and option to underground garage.

The houses go from the ground floor to the fifth floor (attics with own solarium).

In this case, you can enjoy a magnificent ground floor property with a nice terrace, and with easy access to the street and the leisure areas, being able to access the pool area from the elevator of the building.

This home offers a well-to-do lifestyle, with many hours of sunshine to enjoy as you like, and with an infinite list of services and activities for the whole family and all ages that will keep you entertained throughout your stay.

- Shopping centers, bowling alleys and cinemas
- Golf Courses
- Sandy beaches and clean water
- Water Park
- Natural parks and gardens for the walk
- Chiringuitos, restaurants, etc.
