Costa del Sol, Mijas Costa

This very well presented detached house offers spectacular and panoramic mountain and sea views, and is really priced to sell! The house is situated in a quiet cul de sac, within a gated community, and offers peace and quiet, but is only a short drive to the coastal towns of Fuengirola and La Cala de Mijas. From street level there is a double car port, front terrace and entry through a very pretty Andulican style porch. On this upper level are a 2 double guest bedrooms sharing a very nicely updated bathroom, a very well laid out primary bedroom with walk in wardrobes and another upgraded bathroom. Two of the bedrooms have access to a large terrace with those breathtaking views. Downstairs is a very large and recently renovated kitchen, a formal living room leading to a large covered terrace with glass curtains. This terrace leads to the beautiful pool and garden area, with a very tastefully added terraced area by the pool affording great sea views!. Back inside, perhaps the most surprising feature of this house is a very large second living room plus a games room, either of which could be used as a 4th bedroom. This house would make a great permanent home, or equally would make a super long term investment. This one won't be on the market for long, so organise a viewing today!
