Private terraces, gardens, and solariums (depending on unit type) provide generous outdoor spaces ideal for year-round enjoyment.

Interior Design and Living Spaces All residences have been carefully designed to offer bright, contemporary living spaces with an emphasis on comfort and quality. Open-plan layouts connect living, dining, and kitchen areas, creating fluid and practical spaces suitable for both everyday living and entertaining. Key interior features include:

- Floor-to-ceiling windows, enhancing natural light and spatial openness
- Ceiling heights of approximately 2.85 metres, providing a sense of volume and elegance
- Fully installed underfloor heating throughout each property
- Contemporary kitchens and bathrooms designed with premium materials and modern fittings

Comfort and Efficiency The development prioritises comfort, efficiency, and ease of living. One of its key advantages is the absence of shared communal areas, resulting in very low community fees while maintaining privacy and independence for residents.

Location The project enjoys an exceptional location in San Pedro de Alcántara, within walking distance of:

- The beach and Paseo Marítimo
- The San Pedro boulevard
- A wide selection of restaurants, cafés, shops, and essential services

The area offers easy access to Puerto Banús, Marbella, and the main road connections along the Costa del Sol, making it ideal as a permanent residence, second home, or investment property.
