- Ceiling heights of approximately 2.85 metres, providing a sense of volume and elegance
- Fully installed underfloor heating throughout each property
- Contemporary kitchens and bathrooms designed with premium materials and modern fittings

**Comfort and Efficiency** The development prioritises comfort, efficiency, and ease of living. One of its key advantages is the absence of shared communal areas, resulting in very low community fees while maintaining privacy and independence for residents.

**Location** The project enjoys an exceptional location in San Pedro de Alcántara, within walking distance of:

- The beach and Paseo Marítimo
- The San Pedro boulevard
- A wide selection of restaurants, cafés, shops, and essential services
