The finca is set along the main road to Entrerríos and sits on a plot divided into two separate parts, offering flexibility and future potential. The main plot is home to the house and swimming pool. Importantly, the property is fully legal and benefits from a RAFO (AFO) certificate, offering complete peace of mind to buyers. The second part of the property is located opposite the road and consists of a rustic plot planted with olive trees, with ample space and potential, including room to build a carport or for additional agricultural or leisure use.
