Mar Menor, Los Alcázares

A contemporary new-build villa in Los Alcázares.

Architecturally, the villa presents clean, modern lines with a white-and-gray façade. Large floor-to-ceiling openings bring in natural light, while premium exterior detailing continues through to the solarium, which is finished with translucent safety-glass balustrades for a sleek, open feel.

Inside, the home is delivered with cohesive, durable finishes and a fully equipped kitchen. Porcelain stoneware flooring extends throughout the property, including terraces, and the bathrooms are fitted with quality tiling, furniture, mirror and lighting, shower niche. The kitchen combines walnut-toned cabinetry and a full suite of integrated appliances.

Outdoor living is a key highlight, centred around a private swimming pool with bench seating. The solarium is prepared for easy entertaining, with a summer-kitchen setup.
