MAGNIFICENT APARTMENT WITH OPEN VIEWS JUST 5 MINUTES FROM THE BEACH

We are pleased to exclusively present this spacious apartment located in a private residential complex in one of the most privileged areas of Málaga, Cerrado de Calderón. Just a 5-minute walk from the International Schools (Colegio Cerrado de Calderón and the French Lycée) and 5 minutes by car from the best beaches in Málaga's eastern area, this property is ideal for families seeking a peaceful environment, proximity to services, public transport, and excellent connections to the rest of the city.

The property has a bus stop just 4 minutes away on foot, the motorway connecting to the rest of the city is only 5 minutes by car, Málaga's city centre is 10 minutes away, and Málaga International Airport is just 20 minutes away.

- Distributed over 130 built square meters, the property features two main areas: the living-dining room, kitchen, and master bedroom with ensuite bathroom, and the bedroom area, where you will find the remaining 3 bedrooms and an independent full bathroom.

- Notably, the master bedroom has direct access to the terrace, as does the living room, making these spaces perfect to enjoy fresh air and open views. The windows and sliding doors are double-glazed, providing excellent thermal and sound insulation.

- The kitchen has been completely renovated, becoming one of the focal points of the home. Wooden flooring runs throughout the property except in the bathrooms, both of which feature bathtubs.

One of the standout features is the spacious garage, with room for one car and two motorbikes, as well as a storage room.

The entire residential complex benefits from a garden area with a swimming pool.

- Highlight 1: private residential complex
- Highlight 2: partially renovated

It is within walking distance of the local multi-centre, where you'll find a pharmacy, shops, and dining options, as well as the NEXT shopping centre just 5 minutes away by car.
