Costa Blanca South, Ciudad Quesada

This boutique project offers a limited collection of three contemporary villas with private swimming pools in Rojales, Alicante, designed for relaxed Mediterranean living in a quiet residential setting.

Clean architectural lines and a modern aesthetic define the homes, with a strong emphasis on natural light and easy indoor-outdoor flow. The terrace and pool area are planned as the main social space for everyday life, whether for sunbathing, dining outside, or spending time with family and friends.

Inside, the interiors are finished with durable, low-maintenance materials and integrated lighting to create bright, practical spaces. High-quality porcelain flooring is used throughout, supporting a consistent, modern look that works well year-round.

Outside, each villa is completed with private garden space and on-plot parking, with the swimming pool positioned as the focal point of the home—an inviting setting to enjoy the climate and lifestyle of the Costa Blanca.
