The approved project comprises a 2-star aparthotel with 20 apartments, each designed to offer functional, comfortable accommodation with private kitchenettes, optimising both guest experience and operational efficiency. The development has been conceived to appeal to both leisure and short-stay tourism, ensuring strong year-round demand. A key differentiating factor of the project is its distinctive design concept, with different thematic styles on each floor, creating a unique guest experience and a recognisable identity in the market. The plans also include a rooftop solarium with swimming pool and sunbeds, as well as a private garage, significantly enhancing the property's commercial appeal.
