La Vega Baja, Jacarilla

An industrial warehouse with 182 m² of built area is offered for sale, located on a 304 m² fully fenced plot, providing security and a clearly defined space. The property has direct access from the public road, both pedestrian and vehicle access, facilitating loading and unloading operations as well as daily access for activity. The warehouse is in excellent condition, ready for immediate use, with no need for renovation or prior adaptation. Thanks to the size of the plot, it offers a functional and versatile space, suitable for various industrial, logistics, or storage activities.
