Location: Coín, Málaga

Bedrooms: 6

Bathrooms: 4

Plot Size: 25,000 sqm

Located in a prime spot in Coín, this stunning 6-bedroom, 4-bathroom cortijo offers a unique blend of rural charm and modern convenience. Set on an expansive 25,000 sqm plot near a commercial centre and established urbanisations, this property combines tranquil living with substantial investment potential.

Key Features:

Expansive 25,000 sqm Plot: A large plot of land within Coín's boundaries, offering an exceptional opportunity for future development.

Agricultural Income: The land boasts around 2,000 chumbos (prickly pear) plants, generating income from the fruit, alongside olive trees and a cutting-edge hydroponics system for growing salad greens and garden vegetables year-round.

Sustainable Energy: While the property is connected to all urban utilities such as water and electricity, the 5 installed solar panels make the electric bill virtually zero each month, providing a cost-effective and environmentally friendly energy solution.

Development Potential: Investors and developers will be drawn to the potential to build additional properties on the land. Though planning permission has not yet been obtained, its location within the town's boundaries makes approval highly likely as Coín seeks to manage urban sprawl.
