## Costa Blanca South, Torrevieja

This well-kept villa consists of three spacious bedrooms, living room, separate kitchen and bathroom with shower. There is also a storage room and laundry room, woodshed, garage with storage room and a lovely roof terrace. There is also an extra guest house on the plot. There is also a communal pool that is shared with three spirit households.

The plot is 800sqm (but almost 1000sqm in reality) and is very cozy with vegetation and terraces. The Torreta Florida area is a highly sought-after area with proximity to downtown and the Pink Salt Lake.
