Detached villa with pool

Hello! It seems like you have found a really impressive detached villa in Malaga. The location sounds ideal, with tranquility and at the same time close to everything you need, such as supermarkets and the beach. Also, the proximity to the new golf course is a big plus for golf lovers.

I love that the house has two porches, one to enjoy the mornings and one for the afternoons by the saltwater pool. How nice it must be to relax there! It is also great that it is energy autonomous, which is not only good for the environment, but also helps save on bills.

The layout of the house seems very functional, with a cozy living room and several rooms that can be adapted to different needs. And having a space for a barbecue and oven is perfect for enjoying moments with friends and family.

Also, the covered garage is a great advantage, ensuring that you always have a place for your vehicles. It certainly seems like an opportunity that should not be missed. If you are interested, do not hesitate to call and make your dreams come true! If you need more information or help, I'm here for you. ????
